COMMISSIONERS' COURT IN CALL AND REGULAR SESSION

The Commissioners Court met at
2 P. M. Wednesday, September 9, in
call session, with all members pres-
ent. The purpose of the meeting
was for the Court to hear the re-
port of Judge H. E. Haass, Special
Commissioner, on the sale of the 80-
acre tract, known as the Henry
Rothe homestead, owned by the
County.

Bids were advertised to be re-
ceived on September 1, 1942. Mr.
and Mrs. Van Guilder, jointly, were
the only bidders, for the sum of
\$12,500.00 plus cost of advertising
and sale plus \$200 cash; one-third
to be paid in cash and the balance at
the rate of \$250.00 per month until
paid. Medina County is to retain a
Vendor's Lien to secure payment of
balance due as per bid.

The sale of the property was ac-
cepted by the Court and Judge Haass
was ordered to proceed with the
sale to completion.

The Court also considered the
matter of lease extension of the
Henry Rothe homestead to J. D.
Lacy, beginning July 1, 1942, and
unanimously agreed to accept pay-
ment to the County of \$105.00 as
rental for the premises from July
1st to Sept. 30th. It was further
agreed that all rental payments made
by H. B. Zachry Co. under a sub-
lease contract between J. D. Lacy
and H. B. Zachry Co. covering the
period from July 9th to Aug. 2nd,
1942, be retained by Mr. Lacy upon
his payment of the three months
rental. All shrubbery, trees and other
plants now on the premises which
were purchased and planted by Mr.
and Mrs. Lacy, by agreement, are to
become the property of the County
and are to remain as now planted.

The property is to be vacated by the
present tenant on or before Sep-
tember 30, 1942. The premises are
to be received free of any encum-
brances.

The Commissioners sat in regular
session Monday, September 14, at
10 A. M., at which time the peti-
tion of A. J. Rohlf and sixteen other tax-
paying citizens out of J. P. precinct
No. 2, Quilby was heard. The peti-
tion asked that consolidation of Pre-
cincts 1, Hondo, and No. 2, Quilby,
be effected by an act of the Court
in accordance with law. Upon the ad-
vice of County Attorney Vance that
according to Civil Statutes such con-
solidation must be considered and
acted upon in the August term of
Court, the Commissioners voted
unanimously to reject the petition
at this time. This action was taken
due to the fact that the August
term of Court is passed. Approval
of monthly bills and routine mat-
ters closed the meeting.

COTTON GINNINGS

What promised to be a fine yield
from a comparatively small acreage
of cotton locally received a severe
setback from the recent Gulf storm,
most of the cotton that was open in
the field being blown out and dam-
aged beyond all salvage. Despite the
thrashing the wind gave the plants,
however, some top crop is still mat-
uring.

According to Mrs. R. D. Burden,
who is managing Mrs. J. W. Holla-
way's gin for her mother this season,
141 bales had been ginned up to
Tuesday night of this week. After
this week the gin will run only two
days out of the week (see advertise-
ments elsewhere in this paper) and
only about fifty more bales are ex-
pected.

The Mrs. T. O. Bell farms, better
known to our readers as the W. B.
Odum farms and now managed by
Ben Tomerlin, furnished the season's
first bale. It was grown by
Esteban Castillo, a tenant thereon,
and weighed 542 pounds. Pursuant
to its long established custom, the
J. W. Hollaway gin ginned the bale
free of charge.

According to Mrs. Burden's esti-
mate of the local crop, a smaller
acreage was planted, but a larger
yield was promised. The storm cut
the yield considerably, probably a
hundred or more bales being blown
out and washed away, causing the
output to be almost that short of
the total output last year of 315
bales.

USO SPONSORING DANCES

Nearly 100 girls from Hondo who
registered as USO hostesses and 160
soldiers from the AAF Navigation
School of Hondo attended a dance
given in the High School gymnasium
last Friday under the auspices of the
USO.

All registered USO hostesses were
also invited to attend a dance given
by the cadets at the Navigation School
last Tuesday at which more than 300
cadets and hostesses were present.

The next USO dancing party will
be given in the High School gymna-
sium on Saturday, Sept. 19, at which
time local girls who have not already
registered as hostesses will be given
a further opportunity to enroll.

NOTICE TO COTTON FARMERS

After Saturday, Sept. 19th, and
beginning Wednesday, Sept. 23rd, we
will gin only on Wednesdays and
Saturdays. 2tpd.

TO MEN WITH TOOL "KNOW- HOW"—AIR CORPS OFFERS OPPORTUNITY

Victory for the United Nations in
this war may depend largely upon
the strength of air squadrons and
the skill of the men who keep the
aircraft in fighting trim.

Today the Army Air Forces need
men, 18 to 45, who can handle tools
—men with experience in radio and
mechanical work. If they are physi-
cally fit and have mechanical abil-
ity they can now enlist directly into
the Air Corps, and become special-
ists who keep U. S. pilots, navigators,
and bombardiers flying. Capt. E. G.
McLemore, technician procurement
officer, said here today.

It's an opportunity to serve their
country where they are most valu-
able, and to work with the finest
equipment and the newest and fast-
est planes. By so doing they also
prepare for a promising career in
the limitless future of aviation.

"Receiving the world's best training
at good pay, these men will be in
line for rapid advancement," Capt.
McLemore said. "A man who rises
to master sergeant, for example, re-
ceives \$138 a month, with board,
housing, uniforms, and medical care
free, and if married, he receives sep-
arate ration, quarters, and family al-
lowances."

While definite promise of non-
commissioned ratings and techni-
cians grades cannot be made, virtu-
ally every man who enlists now can
look forward to rapid advancement,
since only qualified specialists will
be accepted.

Applications for enlistments will
be taken directly at the AAF Naviga-
tion School, Hondo, Texas, by
either letter or telephone call to
Capt. E. G. McLemore, technician
procurement officer, telephone num-
ber 417.

Accepted men will train on the
job, and probably will be assigned
to one of numerous school fields in
this vicinity or get a chance to take
a crack at the Axis in over-seas duty.
Capt. McLemore added. Applicants
planning to confer with Capt. Mc-
Lemore should bring a copy of their
release from their local draft board.

Men from this vicinity that have
already enlisted at the AAF naviga-
tion school are: Edward E. Bowen;
Louis C. Richter, D'Hanis; J. T.
Wilks, Devine; Ewald B. Schomberg,
Devine; Arlyn M. Covington, Devine;
James O. Bassett, Devine; Zeke P.
Herrera, Sabinal.

NEW CLASS OF MEN TO GUIDE U. S. BOMBERS ENROLL

AAF NAVIGATION SCHOOL
HONDO, Texas, Sept. 15.—Fledg-
ling navigators from 32 states re-
cently enrolled here for 15 weeks to
learn the fundamental principles of
aerial navigation at the world's
largest school of this kind.

These young men, all between the
ages of 18 and 26, spent the past
nine weeks at Ellington Field going
through a period of academic and
military refresher courses in prepa-
ration for the concentrated work at
the Hondo field. The cadets reviewed
high school courses in mathemat-
ics and physics and learned the rud-
iments of military courtesy, dis-
cipline, and drill.

Now they are ready to explore all
practical aspects of the subject of
navigation which comprises both
flying and ground classroom work.
Included in the course of instruction
are the four methods: pilotage, or
the comparison of physical features
with a detailed map; dead reckoning,
involving the use of a mercator
chart, a compass and mathematical
calculations; radio navigation; and
celestial navigation. Celestial nav-
igation, the most fascinating meth-
od of all, makes use of the heav-
enly bodies as signposts.

Navigation cadets are the men who
upon becoming officers in the Army
Air Forces will, along with the bom-
bardiers and pilots, take the war to
the enemy.

NAVIGATION SCHOOL MEN TRANSFERRED TO OFFICERS CANDIDATE SCHOOL

The Army Air Forces Administra-
tive Officer Candidate School at
Miami Beach, Fla., is the next stop
for the following men from the AAF
Navigation School here:

Sgt. Rex A. Bunge, 845th School
Squadron;

T/Sgt. Leonard T. Powers, 908th
Quartermasters Company;

1st. Sgt. Gilbert T. Powers, 844th
School Squadron;

Sgt. Edward M. Pratt, 840th
School Squadron;

S/Sgt. Charles W. Day, 838th
School Squadron, and

Sgt. John R. McCarty, Sgt. Ralph
W. Martin, and S/Sgt. Harold S.
Meeks, all of the 369th Base Head-
quarters and Air Base Squadron.

At this Officer Candidate School,

these men will go through an inten-
sive 12 weeks' course before they are
commissioned second lieutenants and
reassigned to active duty.

CADETS MAKE GRADUATION FLIGHT TO MILWAUKEE

In one of the longest graduation
flights ever made from the Hondo
navigation school, twelve twin-engin-
ed AT-7 training planes and three A-
28-A Lockheed Hudson Bombers
carried 64 men—pilots, navigation in-
structors, cadets and enlisted techni-
cians to Milwaukee, Wisconsin, and
return last week-end.

During the week preceeding the
graduation of each class in naviga-
tion, the cadets are required to pass
this "final examination" upon their
ability to navigate an airplane over
unfamiliar territory. The gradu-
ation flight is always planned so that
the cadets will be required to guide
the training planes at night as well
as during the day. During the night
"celestial" flights, only the stars and
heavenly bodies are used as sign
posts to the destination.

This group left Hondo Friday
night and flew to Jackson, Miss.
From Jackson a night celestial was
made to Scott Field, Ill. On Satur-
day, the flight completed the trip to
Milwaukee. The return trip, by way
of Kansas City and Oklahoma City,
was made on Sunday.

Milwaukee newspapers carried
half-tones and lengthy news stories
of this flight.

Lt. Col. George B. Dany, director
of training at AAFNS, made the
trip, with Capt. C. W. Barrow, group
operations officer, as flight leader.

NAVIGATION POST THEATRE OPENS ON THURSDAY

The AAF Navigation School's post
theatre will have its long-awaited
formal opening Thursday night,
Sept. 17, at 1800, according to an
announcement by Lt. Frank Oliphant
Jr., post theatre officer.

"PARDON MY SARONG," a Bud
Abbott and Lou Costello laugh riot
featuring curvaceous Virginia Bruce,
will be the feature attraction. A
Metro-Goldwyn-Mayer news reel and
sports film will also be shown on open-
ing night.

"The post theatre has an approxi-
mate seating capacity of 1,034 . . .
and the projection and most modern
RCA sound equipment has been in-
stalled," Lt. Oliphant stated. "Five
picture changes a week are contem-
plated, but right now it is too early
to predict what will be most advis-
able," he added.

For the information of hungry
movie-goers, pop corn will be sold
at the theatre entrance. The theatre
is operated and maintained by en-
listed men, under the supervision of
Lt. Oliphant.

POST CHAPLAIN'S NOTES

By 1st. Lt. George W. Schardt,
Post Chaplain

A chaplain is considered "the sol-
dier's best friend". When a man is
lonesome, home-sick or needs any
kind of assistance, morally, spiritu-
ally and even materially he can and
usually will see the chaplain.

Parents and sweethearts at home
are happy that there is a chaplain
with their boys. Through the chap-
lain's office they receive many grati-
fying reports concerning their loved
one in the army. In this sense the
chaplaincy has been a great help to
raise the esteem of the general pub-
lic towards the spiritual ministry.

No other nation is placing so much
emphasis upon the religious ministry
to the men in the armed forces as
our beloved nation. Approximately
600 to 700 chapels have been erected
on army posts. These "Houses of
God", modest in appearance, and yet
beautiful with their spires rising to-
wards heaven, remind us that "Sure-
ly the Lord is in this place".

The AAF Navigation School at
Hondo is proud to have two chapels
which are nearing completion. Ser-
vices have been thus far in the
Chapel on Ave. B, also known as the
"South Chapel".

Post Chaplain, George W. Schardt,
who came here from Kelly Field
August 1st, is at present the only
chaplain serving the entire person-
nel. General Protestant services are
being held every Sunday at 10:30 a.
m. These services are well attended
by officers, cadets, and enlisted men,
as well as their families. Special
music by the soldiers and the chap-
lains wife enhance the service. The
Hondo Fire Department deserves
special appreciation for lending their
piano to the chaplain until such a
time when an organ may be installed.

In addition to the Regular Service
a special service for the entire Col-
ored Personnel is being held every

NIETENHOEFER BOY DROWNS

As we go to press the sad news
comes that the son of Mr. and Mrs.
Arnold Nietenhoefer drowned about
four o'clock Thursday afternoon,
while wading in the Verde Creek
at the Decker crossing. None of the
details are available at this time and
an inquest is to be held by Justice
of the Peace H. V. Haass. The boy
was about 12 years of age.

SUSIE MUENNINK HONORED

Miss Susie Muennink, bride of the
week, was complimented with a pret-
ty shower-tea from five to seven
o'clock Saturday afternoon, at the
home of Mrs. Henry Muennink
Hostesses were Mrs. R. W. Speece,
Mrs. V. P. King, Mrs. H. A. Finger,
Mrs. Joe Mims, Mrs. Jack Hartung,
Mrs. Bob Zerr, Mrs. A. C. Daub,
Mrs. A. H. Schweers, Mrs. Pat Ellis,
Miss Bonnie Cameron, Miss Betty
Jean Merriman, Miss Mary Elizabeth
Meyer, Miss Norma Jane Bless, and
Mrs. Henry Muennink.

The living room was decorated
with bowls of rainbow asters and
pink roses. In the receiving line were
Mrs. Henry Muennink, Miss Susie
Muennink and her mother, Mrs. W.
G. Muennink. Mrs. Finger and Miss
Merriman alternated in keeping the
bride's book.

The tea table was laid with an em-
broidered linen cloth and centered
with a crystal bowl of rainbow as-
ters. Pink tapers in crystal holders
lighted the table. Alternating in ser-
ving the refreshments of chicken
sandwiches and spiced tea were Mrs.
Finger, Miss Cameron, Miss Merri-
man and Mrs. Schweers. Mrs.
Speece and Mrs. J. B. Dawson as-
sisted in the dining room.

The honoree wore a royal blue
crepe frock with a corsage of white
gladioluses and feverfew. The other
members of the house party wore
street dresses with corsages of white
flowers.

About forty-five guests called.

FATAL ACCIDENT

While driving into town about
10:30 o'clock Wednesday night, the
car driven by E. G. Pope struck a
pedestrian and inflicted injuries from
which he died before he could be tak-
en to the hospital.

The deceased, Clarence Thomason
Copas, who has been employed at the
Post Cafe, with two companions from
the cafe, Roy H. Hogan and Thomas
G. Hogan, were walking along the
right hand side of the highway, com-
ing to town. When near the Sadler
home, Mr. Pope's car approached
them from the rear, his attention was
fixed on a car coming from the oppo-
site direction and he did not see the
pedestrian in time to stop before
striking the unfortunate man.

Papers and other identifications
fixed his age at 50 years, his home
as 20735 Graver Street, New Or-
leans, Louisiana, and his parents as
Mr. and Mrs. Robert Copas, Kansas
City, Missouri.

The remains are being held at the
Hogger funeral home, awaiting in-
structions.

P-T. A. HAS INITIAL MEETING

The Hondo Parent-Teachers Asso-
ciation met at the school auditorium
Monday afternoon, Sept. 14th., to
begin the school year 1942-43.

The meeting was called to order
by Mrs. S. O. Woolls, president, and
Mrs. J. G. Barry took charge of the
program. Miss Woodley led in sing-
ing "America". Mrs. Richard Reilly
extended the welcome to the teach-
ers and Miss Williams responded.
Mr. H. C. Richards, Superintendent
of Hondo Schools, introduced the
teachers and then spoke briefly on
his plans for the year.

Following the program, Mrs.
Woolls took over the business ses-
sion. In the count for the book, the
ninth grade won, having the most
mothers present.

On conclusion of the meeting, the
annual receipt for the teachers was
held in the home economics room.

MATINEE

THE LOW DOWN FROM HICKORY GROVE

Here at Hickory, we once had
a mayor by the name of Web-
ber—Seven Shirts Webber, they
called him. And now and then
he was crowded into going to
church by his wife. On such
occasions he needed a clean
shirt. On one particular Sunday
morning he failed to find one,
so he called his wife. And while
she was rummaging, he thought
he would save time and remove
the one he had on. But when he
did so he found another one
underneath. When he had com-
pleted his activities, he had re-
moved 7 shirts. Thereafter he
was Seven Shirts Webber.

I was thinking about this
Gent on account of the cam-
paign to send your Congressman
your old hats, shoes, etc. Our
Congress is almost destitute. It
all came about on account of
the news leaking out about this
new LIFETIME PENSION.
Congress has voted itself. The
new law was passed in the dark
of the moon—but we won't talk
about that.

But to get back to shirts. If
you are lucky and can find one,
send it pronto—even if it leaves
you shirtless.

Yours with the low down,
JOE SERRA

CHAMBER OF COMMERCE NOTES

Your Chamber of Commerce has
been working with the Army Housing
Board in placing important army
and civilian employees who are sub-
ject to 24 hour call duty. Each such
family placed in Hondo's trade area
adds to the purchasing power of
Hondo.

Your Chamber of Commerce has
worked and is still working with O.
P. A. in the role of contact man, and
has had a public meeting explaining
the setup of the O. P. A. and what
it expects of the retailer. Plans are
now being made to have the Regional
Director out of Dallas to hold an-
other county-wide public meeting ex-
plaining the many amendments and
answering any question which may
come up.

The rodent control program which
was to have been carried out Wed-
nesday had to be postponed, due to
the illness of Mr. Byrum, of the
Department of Interior.

On the first of March pledges
were made to operate the Chamber
of Commerce with a full time office
force. These pledges were for a
three months' period, but under eco-
nomical supervision of the directors
the pledges were made to cover a
6-months period.

Now since Hondo has the
WORLD'S LARGEST NAVIGA-
TION SCHOOL which adjoins the
town, it becomes more necessary
than ever for Hondo to maintain a
permanent Chamber of Commerce
office.

Constant requests are made of the
Chamber of Commerce for informa-
tion by the army and civilian em-
ployees besides those received
through the mail.

The baby weighed 5 pounds 11 ounces. Grandparents are Dr. and Mrs. Thos. B. Knopp of Hondo and General and Mrs. William F. Tompkins Sr. of Washington, D. C. The baby is also the great grandson of Mr. Charles Metzger of Hondo and Mr. and Mrs. George Hamilton Sr. of Bethesda, Maryland. Mrs. Tompkins was the former Miss Evelyn Knopp of Hondo.

Mrs. Pat Ellis of Weimer spent the week-end with her parents, Mr. and Mrs. R. J. Reilly. Lt. and Mrs. Ellis will arrive this week-end to visit her parents after which they will go to San Angelo to make their home. Lt. Ellis graduated from Foster Field, Victoria, and is now an instructor at Goodfellow Field, San Angelo. Mrs. Ellis was Miss Kathleen Reilly before her marriage on Sept. 5.

Mr. Fritz Stiegler sends the paper this week to his daughters, Mesdames Robert Wiemers and Roy Rosen, both of whose husbands are employed in an air field at Oklahoma City, Oklahoma. The young men have been there since July when they were transferred from San Antonio. Mr. Stiegler accompanied them when they went to their new post and says Oklahoma City is a beautiful city located in a wonderful country.

It's now Lt. Floyd Mechler! On September 16 he completed 13 weeks training at the Officer's Candidate School, Fort Belvoir, Virginia, and he was commissioned a second lieutenant. He has been assigned to Fort Belvoir as an instructor in physical education. Lt. Mechler is the youngest son of Mr. and Mrs. L. A. Mechler of Hondo.

Mr. and Mrs. R. C. Sheffield of San Antonio are the parents of a baby girl, born September 11, 1942. Mrs. Sheffield is the daughter of Mr. and Mrs. J. E. Neuman of Hondo. Mrs. Neuman is in San Antonio visiting her mother.

Small farm and ranch, 500 acre, pasture and 50 acres in cultivation. Has not been stocked for three years. Two houses and two wells; also two good springs; 15 miles west of San Marcos. (Price right). R. E. WALKER, 217 East Craig Pl., San Antonio, Texas.

Please remember, we can go anywhere when our services are desired—day or night. Just ring Phone 75 and we will attend to everything.

Mr. and Mrs. W. L. Burrell of San Antonio are the parents of a 10-lb. baby boy, born September 14, 1942, at Medina Hospital.

NEW MEXICO MAN BURIED HERE

Mrs. H. F. King of Hondo was called to Hot Springs, New Mexico, Thursday on account of the accidental death of her brother, Harvey McNutt, who was fatally shot while handling a loaded shot-gun at his home. The deceased, aged 44 years, was the youngest son of the late Mr. Robert McNutt and Mrs. McNutt, the latter who made her home with her son in New Mexico.

The body was brought to Hondo Sunday and Monday morning at 10 o'clock funeral services were conducted at Horger funeral home by Rev. R. F. Davis, pastor of the Hondo Methodist Church. Burial was made in Oakwood cemetery, with the following serving as pall-bearers: O. A. Fly, V. P. King, W. L. Windrow, W. G. Muennink, B. C. Rogers and R. J. Reilly.

Surviving are his mother, Mrs. Robert McNutt of Hot Springs, New Mexico; one sister, Mrs. H. F. King of Hondo; and three brothers, Henry of San Antonio, Martin of Del Rio, and Lee of New Mexico.

MRS. HENRY SCHULTE SR. DEAD

Mrs. Henry Schulte Sr., 71 years of age, passed away about 2 A. M. Wednesday, September 16, 1942, at her Quilhi home. Funeral services are being held today (Thursday) at 3 P. M. from the Horger funeral home, with interment in Quilhi cemetery. The last rites are under the auspices of the Lutheran church.

The deceased, born Mina Reitzer, is survived by nine children, Frank Edwin and Arthur Schulte of Quilhi, Mrs. Hulda Wiemers, of San Antonio, Alfred Schulte of Dunlay, and Robert Schulte, Mrs. Emma Wiemers, Mrs. Bertha Hartman, and Henry Schulte Jr., of Hondo. There are also left to mourn, one sister, Mrs. Mary Balzen of Upper Quilhi; five brothers, Henry Reitzer of Yancey, Emil Reitzer of Potet, George Reitzer of California, Edmund Reitzer of Arizona and Louis Reitzer of San Antonio; 25 grandchildren and three great grandchildren.

A sketch of the deceased, a good wife and mother, will be published in next week's paper.

HONDO, TEXAS, SEPT. 18, 1942

Washington Snapshots by JAMES PRESTON

Off the Government news reel comes the comforting word that certain wavering policies are being stream-lined for quick, decisive action. From now on the WPB term "essential civilian needs" is out. Emphasis on war production boils down to a "catch as catch can" basis for civilian and non-military interests. Equally hard-boiled is the Selective Service assertion that "Every man, physically fit, between 20 and 45, will be in uniform within two years." The term "essential occupation" is dropped from General Hershey's lexicon. These are merely examples of what is being done here to gear our sprawling, care-free, pleasure-loving democracy for its fight for the things we cherish. Mistakes will be made. Blunders will be committed. But out of the smoke should come direct directives, quick executions, and the results that America, unafraid, has prayed for.

—WSS—
From now on WPB takes over priority control from the Army, Navy, and the Maritime Commission. On top of this comes a new method of allocating critical materials which will give WPB complete control over producing, processing, and distribution of all materials from "ore to arms."

—WSS—
The draft policy of General Hershey leaves little for debate. Employers are advised to prepare to lose every able-bodied man, 20 to 45, within two years and start training replacement personnel now, as it is only a matter of weeks before a general reclassification of deferred classes will start. Essentiality of occupation will carry little weight. The General believes that, if a bomber pilot can be trained in eight months, war worker substitutes can acquire the know-how in six. Women appear to be the most likely new soldiers of production.

—WSS—
The hot fight over wages and farm price control continues. President Roosevelt seeks agreement among his supporters on the Labor Day program to come. On one side are CIO Murray, AFL Green, and some key New Dealers who while demanding a low ceiling on farm prices refuse any type of ceiling, any wage-czar or super-board, or any form of wage freezing. They want all wage controls, as now, in the hands of WLB. On the other side are Justice Rosenman, OPA Henderson, and others who favor a Cost-of-Living Board to review wage increases and to supervise sales of Government-owned farm commodities and subsidies to food processors. This COL Board would have power to review WLB decisions and could provide tighter wage control—short of absolute freezing—than the 15 percent formula. The President will seek to have the Murray-Green faction accept the Rosenman plan this Thursday. Whatever plan is agreed upon will be instituted by Executive order. There is no time for Congressional debate now.

—WSS—
The President still wants the \$25,000 ceiling on incomes, regarded here as a gesture toward placating farmers and labor through a common sacrifice program.

A summary of the past week's war events reviewed by The National Editorial Association Defense Advisory Committee in cooperation with the Office of Government Reports.

FOR RELEASE SEPT. 15, 1942.

All motorists in the non-rationed areas of the country were asked by Price Administrator Henderson to observe the same rules in using their cars that are enforced in the rationed Eastern area, as a means of conserving rubber tires until a national gasoline rationing plan can be put into effect. He said it will be several weeks before coupon ration books can be printed to carry out the nation-wide gas rationing recommended by the Baruch Rubber Committee. Unless the nation's 27,000,000 motorists cut their driving "to the bone," Mr. Henderson said, "we're likely to coast right into Hitler's lap."

The White House issued a chart prepared by the Society of Automotive Engineers showing that the normal life of a tire is doubled when the average driving speed is reduced from 40 to 20 miles an hour, or from 50 to 30 miles an hour. The President said he thought the chart should be brought to the attention of the country as a persuasive argument for slow driving.

The Baruch Rubber Committee recommended that motorists be curtailed to a general average of 5,000 miles a year. The committee also recommended a national speed limit of 35 miles an hour and compulsory periodic tire inspection. Complete reorganization of Government agencies concerned with the rubber program and appointment of a rubber administrator with full responsibility for conservation and synthetic production programs were also recommended. Additional rubber must be released to fully maintain essential civilian driving, reclaiming operations must be stepped up, and to increase synthetic production, the committee recommended immediate expansion of plant capacity for Buna-S, Butadiene, Neoprene, and Alcohol, and elimination of any further substitution in plans for synthetic production. The President told his press conference virtually all of the Committee's recommendations except gasoline rationing will be put into effect immediately.

The War Front
Gen. MacArthur's Australian Headquarters reported Allied Forces have kept the Japanese thrust toward Moresby bottled in the towering Owen Stanley Mountains while Allied aircraft swept the seas surrounding the island, bombing enemy supply ships. Gen. MacArthur announced September 14 that United Nations bombers attacked three Japanese cargo ships, apparently bound for New Guinea, and American Flying Fortresses bombed a Japanese cruiser off the Southeast coast of New Britain. Earlier, the Fortresses hit two enemy destroyers in the same area. Japanese bombers continued to attack U. S. Forces in the Solomons and the enemy has "reinforced and supplied" Japanese troops in the interior of Guadalcanal where U. S. Marines are engaged in mopping up operations, the Navy reported. The Navy said that 20 more Japanese planes have been shot down in three heavy bombing attacks—bringing to at least 143 the number of Jap planes officially reported shot down since operations began August 7.

U. S. Army Headquarters in London reported American Flying Fortresses and Medium Bombers successfully bombed the Schiedam Shipyards at Rotterdam, railway yards at Utrecht, an airplane factory and the St. Omer Airdrome in Nazi-occupied France. Damage to intercepting enemy planes included 17 fighters destroyed, 25 more probably destroyed and 25 damaged.

Two fortresses were listed as missing, the first American losses in 12 straight attacks on Nazi territory in Europe. The Navy announced the sinking of eight more United Nations merchant vessels by enemy submarines.

War Strategy
The White House announced that during July Army Chief of Staff Marshall, Chief of Naval Operation King and Special Adviser to the President, Hopkins, conferred with high British officials in London and at these conferences certain vital military decisions directed toward taking the offensive were made. The President, in a radio address, said the power of Germany must be broken on the continent of Europe and "preparations are being made here and in Britain toward this purpose." Secretary of War Patterson, speaking in Muskegon, Michigan, said that more than 600,000 men in the Armed Forces are overseas and this force "will be doubled and doubled and doubled to the limit of our manpower." W. Averell Harriman, special Lend-Lease minister to London, said the Russians "are determined to fight to the finish... alone with their own resources if need be. But they will fight on with even more strength and courage if we give effective aid."

The Armed Forces
President Roosevelt told his press conference he did not think it would

be necessary to call up 18 and 19-year olds before the first of next year because Army training facilities at present are only equal to the number of men being taken in, but he is discussing with the Army whether enabling legislation will be needed soon. Army Ground Forces Commander McNair announced the number of Army divisions in existence or being mobilized has more than doubled since January 1.

War Secretary Stimson announced the Air Transport Command will establish an experimental unit of 50 trained women aviators, the Women's Auxiliary Ferrying Squadron, to ferry smaller Army planes from factories to airfields. The Weather Bureau called for 75 women airplane pilots to take a course in meteorology. Mr. Stimson also said the Army expects to call most, and possibly all, student reservists who have reached Selective Service age to active duty by the end of the college term beginning in September. The Coast Guard is forming a fleet of 250 fire-fighting boats, most of them embodying a new design in propulsion and fire-fighting machinery, to be used in protecting water-front facilities along U. S. coasts.

Transportation
Office of Defense Transportation Director Eastman announced "no special train or bus service, including charter bus service, to football games or other sports events will be permitted. At the same time I am directing that steps be taken by my office to prevent the overcrowding of regular trains serving areas in which such events are to be held." The Interstate Commerce Commission ruled that for the duration all railroad carriers may disregard any present regulations governing length of trains when necessary to assure prompt movement of freight or passengers.

The ODT ordered all operators of commercial rubber borne vehicles except motorcycles to carry and show a "Certificate of Necessity" in order to obtain gasoline, tires or parts after November 15. The regulation covers almost 5,000,000 non-military trucks, 150,000 buses, 50,000 taxicabs and all ambulances and hearses. Application for certificates, as well as other pertinent information, will be mailed about September 23 to all persons who registered last December 31 as owners of motor vehicles available for public rental.

War Production
War Production Chairman Nelson asked war workers to stop taking an extra day off and to refrain from "quicker" strikes over minor grievances because such absences slow production. He said the nation's production record is not nearly good enough. The President by Executive Order prohibited payment of "penalty double-time" pay for work on Saturdays, Sundays and holidays, but permitted payment of double-time for the seventh consecutive day's work and of time-and-a-half for all overtime work after 40 hours a week. Under Secretary of War Patterson said U. S. plane production in August was greater than that of Germany, Italy, and Japan combined and tank production, already at an impressive high, will be twice as great in December.

Labor Supply
WPB Chairman Nelson ordered a 48-hour work-week established in lumber camps and sawmills in the Pacific Northwest because log inventories are the lowest in five years. To relieve growing labor shortages, War Manpower Chairman McNair ordered that workers in the lumber and nonferrous metal industries in Arizona, Colorado, Idaho, Montana, Utah, Wyoming, California, Nevada, Oregon, Washington, New Mexico, and Texas, may not seek jobs elsewhere without obtaining "Certificates of Separation" from the U. S. Employment Service, and no employer in the critical area shall employ such a worker if he has no certificate. The industries affected employ approximately 200,000 workers.

LIVESTOCK MARKET REPORT

Monday, September 14, 1942

San Antonio, Sept. 14.—HOGS: Estimated salable and total receipts 800. The weeks initial session in the San Antonio hog division found prices listed mostly 25c lower than best figures Friday, or about steady with that day's close. A top of \$13.25 took the bulk of Good and Choice 180-270 lb. butchers while comparable grade 160-180 lbs. were slow to move at \$12.75-13.25. Medium and Good 140-160 lbs. had to go at \$12.50-12.75. Most sows ranged from \$12.00-12.25. Feeder pigs encountered a 50c loss as compared with late last week when most placements scaling 90-130 lbs. brought \$12.50-12.75. A few dropped to \$12.35.

CATTLE: Estimated salable and total receipts 1,900; CALVES 3,200. Cattle trade was slow to get under way in view of increased receipts compared with last week Monday, but after a trading basis was established supplies moved quite rapidly. Slaughter steer and yearling sales appeared steady to weak as Common and Medium grass fat offerings made \$9.50-11.50 and a package Medium short feds secured \$11.80. Odd head Good 774 lb. yearlings showing about five months feed reached \$13.25. Loadlots Common mature grass steers claimed \$11.00 while Cutter and Common steers of Mexican origin dropped to \$9.00.

Slaughter cow trade indicated a weak to 25c lower turn. Common and Medium beef selections turned at \$8.00-9.00 with Good \$9.25-9.35. Canners and Cutters ranged from \$5.00-7.75 but not many Canners below \$5.50. Sausage bulls ruled about steady at \$8.00-9.75 for Cutter to Good offerings. Killer calves showed little price change from late last week as Good and Choice offerings ranged from \$11.50-12.50 and scattered lots to \$12.75. Common and Medium selections brought \$9.50-11.00 and Culls mainly \$7.75-9.00.

Stocker calves ruled weak to 25c lower and some deals 50c off. Good and Choice steer offerings made \$12.00-13.00, few \$13.25. Heifers reached \$12.00. Medium and Good yearling stocks earned \$11.00-11.50.

SHEEP: Estimated salable and total receipts 1,500. Sheep and goat sales appeared about steady. A load Medium grade freshly shorn wethers commanded \$6.25. Freshly shorn killer goats brought \$3.00-4.25 with Culls at \$1.65-2.75.

LIMITS USE OF SCHOOL BUSES

School buses that carry football
teams to games, or transport school
bands debating teams and other such
groups on excursions will lose their
eligibility for tires, the Medina
County War Price and Rationing
Board was advised recently by the
Office of Price Administration state
headquarters.

"The State OPA office has pointed
out that under the tire rationing
rules, school buses must be used ex-
clusively to transport teachers and
children from their homes to school
and back again," the chairman of
the Local War Price and Rationing
Board, explained.

"The rule further makes it plain
that school buses used for purposes
other than this lose their future
eligibility for tires, even though the
tires on them now were acquired be-
fore rationing was put into effect,"
he continued.

"Many of us are football fans and
we'd like to be able to say that the
buses could be used to carry the
teams to their games, but we know
this must not be done or we will
jeopardize the transportation means
of thousands of children who depend
on these buses to get to school, es-
pecially in rural neighborhoods."

He added that the only alternative
for football teams would appear to
be the use of private automobiles
which are ineligible for tires and re-
treads anyway, or to resort to pub-
lic buses and trains.

"That is something for each school
to determine," the chairman added,
"after it considers the fact that pub-
lic transportation already is taxed to
the limit with wartime traffic, and
the rubber situation is so critical we
know we must conserve every ounce
of it for essential needs."

The Chairman also pointed out
that a school cannot designate one
special bus to handle excursions by
the football team band and other
such groups, without jeopardizing
the tire eligibility of all of that
school's buses.

"The rationing rules are strict on
that point," he said. "The applicant
must establish that the regular
school bus cannot be replaced by an-
other vehicle owned or operated by
the applicant before it completely
establishes eligibility."

TIRES MUST BE CONSERVED

The local Board Chairman of the
Medina County War Price and Ra-
tioning Board made it plain today
that all motorists are going to have
to intensify tire conservation, and
that many persons on the eligible list
for tires and retreads are going to
be disappointed because of the
quota shortage.

C. Y. O. MEETING

Again the St. Louis Youth's met in regular session Wednesday, Septem-

ENGLINC-ANGERSTEIN The Taylor Times.

Miss Lisa Angerstein became the bride of Lieutenant Gus Engling in an impressive ceremony at the St. Paul's Lutheran Church Monday evening, with Rev. A. D. Rode performing the ritual. * * * The bride's only attendant was her sister, Miss Ruth Angerstein. * * * The groom wore the full dress uniform of an Air Corps Lieutenant, and was attended by his brother, Arthur Engling, of Rosenberg. Ushers were Arthur Rode and Luther Durkap, of

her 9th. The meeting was opened with prayer by our spiritual advisor and also a special prayer was said for the boys in service. The minutes were not read due to the fact that our secretary was absent. The treasurer gave his report.

The members were reminded that Sunday is our regular communion day and the mass is especially for the boys gone. Everyone try and be there.

Our president suggested that we send each boy that is serving Uncle Sam and used to be a member a Christmas card. A motion was made by Melba Wurzbach and seconded by Virginia Wurzbach. This will be completed in our next meeting.

Two interesting talks were given by Angelina Scherrer and Betty Burrell. "Resolutions of the Catholic Central Verein of America" and "Why We Should Love Our Country", were the titles.

Our spiritual advisor suggested we try and have a bigger and better study club this year.

Having completed all new and old business the meeting adjourned with prayer. Sauz will serve at our next meeting and Eloise Haegelin will give the next talk.

Castroville served refreshments which consisted of ice cream, nut cookies and iced water. Those on the committee were Patricia Suehs, Francis Biry, Bernice Tschirhart, Katherine Hoog, Laura Mae Schott, Betty Burrell, Floyd Tondre, Tondre Jack Wernette, and Mitisie Schott. Reporter.

ZION'S LUTHERAN CHURCH

Sunday, Sept. 20, 1942

9:30 A. M. Sunday school and Bible classes. William H. Santleber Jr., Supt.

10:30 A. M. English divine service.

The times in which we live, demand a time, a place of sincere worship, Christian fellowship and nearness to God. Therefore, we are doing our best to meet this demand and need for all our members and friends who attend any or all services of our church. You and yours are most cordially invited to attend our service next Sunday, please. If ever a world needed the Gospel of Jesus Christ and its message of salvation and peace, it is our world of 1942. A world that is fast ripening unto final judgment, as nearly all great leaders of the Christian Church now conclude, can have only one plea before that judgment throne of God: the blood of Jesus Christ, which cleanseth from all sins, and which must have been appropriated in personal repentance and faith and shared with as many other sinners throughout the world as possible.

The Castroville Lutheran Ladies' Aid Society will meet on Wednesday, Sept. 30th at 3:30 P. M. in the Fuos Bldg. You are kindly asked to attend, please.

From Sunday, Oct. 4th, our Sunday School will begin at 10 o'clock and Church service at 11 o'clock.

On the 3rd Sunday in October we will celebrate our annual Missionfest. We are very fortunate in getting a splendid speaker and church worker. It is Prof. A. C. Streng of the Texas Lutheran College. We extend one and all a cordial welcome to work and worship with us. The Church with a welcome.

A. H. FALKENBERG,

Pastor.

San Antonio. Mrs. Engling is the daughter of Mr. and Mrs. Willie Angerstein, of Taylor. She is a graduate of Taylor High School, and attended Texas Lutheran College, after which she received her degree from the University of Texas. Lt. Engling, formerly of Rosenberg, is now an instructor at the Hondo Air School. He also attended Texas Lutheran College, and the University of Texas. * * * Following the reception, the couple left for a wedding trip to Galveston. * * * After the wedding trip, the couple will be at home in Hondo.

NEWS NOTES FROM THE NAVIGATION SCHOOL

Continued from First Page

Sunday at 9 a. m.

The local Catholic Church and its pastor Father Garcia, is serving the men of the Catholic faith whenever special services are required.

The commanding officer has given permission for men of Jewish faith to attend their "High Holy Days" and other special services in San Antonio.

In the opinion of this chaplain there can be no other camp where the spirit towards the chaplain's work is more gratifying than at this field.

WAR BOND SALES UP AT NAVIGATION SCHOOL

Total war bond purchases by enlisted and civilian personnel for the month of August total \$8,507.50, according to Capt. T. F. Staudt, war bond officer.

"Some squadrons are almost 100 per cent in their purchases of war bonds and we are looking forward to a lot of other 100 per centers among the organizations here at the field", he added.

Those who have not made their war bond reservation can see Capt. Staudt at his office, Building No. 9, across from Post Headquarters.

BARGAIN PRICES FOR SERVICE MEN AT HONDO HIGH FOOTBALL GAMES

During the 1942 football season all enlisted army personnel at the navigation school will be admitted to home high school football games for the student price of 30 cents per game according to Capt. Charles A. Baril, acting special service officer, who made this agreement with H. C. Richards, Hondo superintendent of schools.

All games will be played at night at 2000 at Barry Field, directly behind the high school located four blocks east of the Red Mill and three blocks south.

In the first pigskin tussle of the season this Friday night, at 2000, Barry Field, the Hondo High Owls play Devine High. A section for army personnel will be reserved on the east side of the field, and the west side of the field will be reserved for Hondo high school students, Mr. Richards has announced.

NAVIGATION SCHOOL ORGANIZES CIVILIAN GIRL CORPS

A new organization, the Civilian Girls Corps, had its initial meeting Tuesday evening at the Service Club of the Army Air Forces navigation school, where all the civilian girl employees met to discuss organization plans. Capt. Charles A. Baril, acting special service officer, was in charge and he outlined the objective and organization plan as follows:

"PURPOSE: 1. To better the entertainment given for the enlisted men of the AAFNS.

2. To permit the girls participating in the entertainment to have an equal "say so" in the planning of all dances or other activities, thereby helping the girls to have entertainment that will appeal to them.

WHAT IS EXPECTED OF A MEMBER: 1. To support dances and other activities each month at the Enlisted Men's Service Club. All of these dances will have good dance bands and refreshments. By "supporting", is meant to attend these dances and other social functions and to encourage other girls to attend.

COMMISSIONS: 1. A girl to serve as Commanding Officer of the Civilian Girls Corps of the AAFNS will be elected by members of the Civilian Girls Corps. Other girl officers will be commissioned and will rank according to interest taken in activities, attendance, and responsibility accepted.

"Only civilian women employees at the AAFNS are eligible for membership in the CGC," Capt. Baril said, "but Hondo USO girl workers are urged to attend all the CGC affairs."

So far some 50 applications for membership from girls on the field have been received. Any civilian girl employee of AAFNS who wishes to make application for membership may apply at the Special Service Office Building 9, across from Post Headquarters. Capt. Baril promises more news of the growing CGC next week.

NAVIGATION SCHOOL SERVICE CLUB TO BE OPENED FRIDAY, SEPT. 25

The Servicemen's Club at the AAF Navigation School will be formally opened at 1930 Sept. 25, according to an announcement by Capt. Charles A. Baril, acting special service officer. Plans are under way to have the cafeteria and lounge equipped and operating on opening night.

Entertainment will consist of dancing with rhythmical tunes furnished by the post orchestra, directed by Sgt. Douglas Ackley. Skits from the 908th Quartermaster's new variety show will be presented. At the same time the Girls Civilian Corps of the AAFNS will be under full steam, and all of its girl members will be present.

The following are formally invited to the opening ceremonies and entertainment: All enlisted men, the commanding officer, executive officer, adjutant, assistant adjutant, post engineer, public relations officer, special projects officer, Capt. W. I. Hubbell, the local USO representative, and the wives of the aforementioned men.

"The Girls Civilian Corps at Hondo also has invited the Girls Civilian Corps of Kelly Field to attend the festivities," Capt. Baril stated.

SQUADRON NOTES

From The Navigation School

Through an arrangement between the Hondo Anvil Herald and the Commanding Officer of the AAFNS, this space will be devoted to news and articles submitted by the various squadrons and organizations on the post.

In order to make this news project worthwhile it is wholly desirable that news from each organization on the post be included. Organization commanders are requested to name a reporter who will collect and turn in news material EACH WEEK. Copy should reach the Special Service Office by Monday noon in order that it may appear in the HONDO ANVIL HERALD which is published on Thursdays.

Particularly desirable is news on squadron activities, entertainments, athletic events, promotions, etc. However, limited space precludes the use of jokes, poetry, and stories that contain no personal opinion or color. Squadron reporters will be held responsible for the accuracy of news submitted. Each squadron reporter will get a "by line" for the material he submits.

Copies of the Hondo Anvil Herald will go through Message Center each Friday to Commanding Officers to be placed in day-rooms.

NEWS NOTES FROM THE 908th Q. M. AVN. (SERV.)

(By Pvt. Julius Neerman)

The Det. 908th Quartermaster Company, made up primarily of New York selectees, boasts of a total of 18 nationalities in the group. Their sole ambition at this time, is to do their utmost to make this a short war, with a victorious finish for our glorious army.

In the past few weeks, the New York group has made the grounds surrounding the quartermaster area a garden spot. In no uncertain manner they have proceeded to fix the grounds and will not stop until all the boys are comfortable. To complete the job, the quartermaster company needs shrubs and plants. Hondo residents who have shrubbery on plants they would be willing to donate are invited to call the 908th Q. M., telephone 408.

The group has started an organization paper the first on this post. Its purpose will be to give the "folks back home" an idea of what life in Hondo, Texas is like. The paper will contain personal news items of the boys at camp. The paper will be edited by Pvt. David Nudelman.

Three of the men are going back to New York for a three months' training period, where they will study at the Quartermaster School at Miller Field, Staten Island. They are Pvt. Joseph Muscare, Karl Anderson and Reuben Berzon all from New York.

When the Post Theatre is opened, some time later this month, the 908th Q. M. will be first on the list to provide entertainment and to enjoy the theatre.

Three men have recently received promotions. They are: Sgt. Anthony L. Fetter, promoted to staff sergeant, Cpl. Patrick Higgins promoted to technical sergeant fourth grade, and Pvt. First Class Kenneth Jackson, raised to the rank of technical cpl. fifth grade.

Although it is a pleasure to announce that our first sergeant, Leonard T. Berry, left Tuesday for Officers Candidate School, it is really a great loss for all our men admired and respected him. He will go in training at Miami Beach, where he will study Air Corps administration.

The 908th Quartermaster group would like to express its thanks and appreciation to "Hal Jones" American Legion Post in Hondo for securing the piano loaned to the 908th.

SCRAP DRIVE HITS TEN TON MARK

Trucks from the AAF Navigation School have collected a total of ten tons of scrap metal from Medina and Uvalde counties, according to Lt. Donald F. Halfpenny, salvage officer of the metal collection drive. It is estimated that some 30 tons of scrap metal are in these two counties, and the field officials are determined to hit that mark.

Last Wednesday the trucks started to collect scrap in Uvalde county, after their thorough combing of Me-

dina county, where the residents co-operated fully in this drive.

Lt. Halfpenny also said that approximately 300 pounds of scrap rubber was collected last week.

"This scrap metal and rubber can be converted into trouble for the Axis, when it ultimately finds its way into American war production", he added.

Anyone wishing to contribute to this drive call the Medina County AAA agent, R. B. Burden, Hondo, and in turn Lt. Halfpenny will have an army truck pick up your scrap metal and rubber. It was announced, "Dig down in your cellar, look in the attic, in that closet, garage, barn, get your scrap into war production," is Lt. Halfpenny's advice to local residents.

HONDO NAVIGATORS APPOINTED MEMBERS OF ARMY-NAVY-MARINE PROCUREMENT BOARD

Three second lieutenant navigation instructors from the navigation school here have been appointed members of the joint Army-Navy-Marine procurement board. These men are: Lt. Herman D. Zweiban, Lt. Robert T. Mellinger, and Lt. Earl W. Udick. They arrived in Washington, D. C., on Sept. 15, and from there will proceed on a 90-day tour of the United States as members of the board, spurring enlistments into the armed services.

Upon completion of this assignment these men will return to their duties here at the AAF Navigation School.

NAVIGATION SCHOOL VARIETY SHOW "BETTER BE GOOD" WOWS EM AT KELLY FIELD

The AAFNS 908th Quartermaster's all star musical revue, "BETTER BE GOOD", made a big hit with Air Corps men when it was presented at Kelly Field, Thursday, Sept. 10. About 500 men saw this show which was first presented here at Hondo.

USO CLUB DANCE TO BE HELD AT HIGH SCHOOL SATURDAY

The USO club of Hondo will sponsor another "get-acquainted" dance at the high school gymnasium Saturday evening, Sept. 19, at 2000. All AAFNS service men and Civilian Girls Corps members are invited. As always this affair will be strictly stag.

Melodies styled for dancing will be furnished by Sgt. Douglas Ackley and his Navigation School orchestra.
